21 July 2010

Subject: Testimonial for "Only protecting Properties cc"

The Only Protecting Properties was appointed by the Meat Board of Namibia as from February to April 2010 for construction and rehabilitation of the National Veterinary Cordon Fence between Namibia and Botswana borders.

Meat Board herewith certify that OPP has rendered a satisfactory service based on all requirements and standards set. OPP possessed the necessary skills and knowledge required to execute the job of that nature and Meat Board is recommending OPP for relevant service in future without any hesitation.

Kind regards

Paul Strydom
